MReOP

Medical Representative e orientation programme

**Give your
career the
powers of a
superhero**

MReOP

Medical Representative e orientation programme

The global pandemic has triggered a tremendous growth for the Health Care Industry. The booming Pharma Industry needs energetic & young graduates to work as dynamic Medical Representatives. For the past 25 years, we at CARREOGRAPH are producing super successful Medical Representatives through our classroom training programs. We're equipped with latest state-of-the-art infrastructure and top of the line faculty members with years of domain expertise and industry knowledge. Now, we bring you the online version of our Medical Representative Classroom training program : **MReOP**. The online classes will have the same faculty members of the classroom training program with in depth training modules. **MReOP** from CARREOGRAPH is an exclusive, tailor made, first of it's kind, Pharma specific online training Programme in the country.

The course is designed for :

- ~ Those who are unable to attend Classroom training
- ~ Young bright students pursuing Graduation
